The Townsend T-51 really makes your Itek tick.

The Townsend T-51 Color Press. A fully self contained printing unit that you can add to almost any offset duplicator to double your productivity, your efficiency and your capabilities.

The Townsend T-51 places its image on your duplicator's blanket in perfect register with the image from your duplicator's plate.

Then, both colors transfer to the paper ...Simultaneously.

One pass through the press. Two color printing.

That cuts your two color printing time in half. Doubles your capacity.

There's a Townsend T-51 Color Press to fit every new or older Itek offset duplicator.

The Townsend T-51 gets you into color while it keeps you in the black.

Capital Gain.

Time and again, you've heard it said, "To make money, you have to have money."

The truth is, you have to know how to save money before you can think about making more.

That's why more and more people are joining the Payroll Savings Plan to buy U.S. Savings Bonds. That way, a little is taken out of each paycheck automatically.

In no time, you'll have enough Bonds for a new car, your child's education, even a dream vacation.

Whatever you save for, Bonds are the safest, surest way to gain capital.

Take stock in America.

UNITED STATES SAVINGS BONDS

When you put part of your savings into U.S. Savings Bonds you're helping to build a brighter future for your country and for yourself.
